ABEK1 Twin Cartridge

- Product Code:** 2141509
- Brief Description:** Combination gas and vapour filter
- Conformity:** Meets the requirements of EN 141. EC Type Examination (CE) Certificate Number 1205, issued by BSi Product Certification, Notified Body Number 0086, in accordance with the PPE Directive 89/686/EEC.
- Performance:** Offers protection up to concentrations of 1000 ppm (Parts Per Million) for organic, inorganic, sulphur dioxide & other acidic substances, ammonia and organic ammonia derivatives when in the form of vapours and gases.
- Instructions For Use:** The male part of the cartridge should be unscrewed and pushed through the mask, from the inside. The female part should then be screwed to the protruding thread ensuring a tight fit.
N.B. Cartridges marked for use with twin filters only should never be used with masks made to fit single filters.
- Cleaning Instructions:** Wipe with a damp cloth soaked in mild detergent solution, being careful not to get any liquid inside the cartridge. DO NOT USE abrasive substances or solvents.
- Maintenance:** Store unopened packs, out of direct sunlight away from chemicals, abrasive substances and in a dry atmosphere. Opened packs should be stored in an air tight container.
- Limitations of Use:** As indicated on the user instructions.
