

Dialight

13 Series ECE Position Lamps

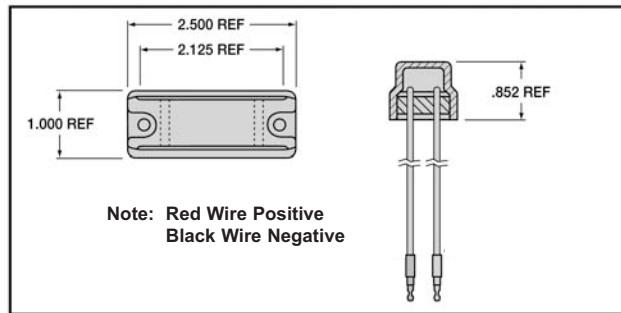

FEATURES / BENEFITS

- ▲ ECE Approved Red and White
- ▲ Long Life / High reliability
- ▲ Shock and Vibration Resistant
- ▲ Reduced maintenance
- ▲ Low current draw
- ▲ Polycarbonate lens for durability
- ▲ Potted design for improved seal integrity
- ▲ Integral wiring

SPECIFICATIONS

The Dialight 13 series ECE approved position lights were designed by Dialight for heavy-duty application on trucks and busses where small size, high reliability, and reduced maintenance are a prime concern. These lamps are designed using Dialight's unique potted construction to provide a superior seal against moisture. The incorporation of integral wiring in the design results in fewer interconnections between the lamp and the vehicle harness.

Part Number	Color	Operating Voltage	Typical Current	ECE Approval #
13053CE	White	24 V	15 m Amps	1682
13053RE	Red	24 V	60 m Amps	1683
