

Total Power International, Inc.

HILED350 series

- 90-305Vac AC Input
- Output Power 350Watt
- Up to 92% efficiency
- Protections: Short circuit/Overload/
Over Voltage/Over Temp.
- Built-in Active PFC, PF>0.97
- IP67 Design for Outdoor Installations
- Driving Method: Constant Current mode
- Meet UL8750/UL60950-1/CNS15233
- Operating Temp. -35 to +50 degree C
- Suitable for Street Lighting
